Please provide this information for each group that is entering the banner parade.

Please prepare your group to have a picture taken. Before the Walk, they will hold their banner as a group, and proceed to the middle of the driveway in front of the stairs. They will then need to pivot to face the crowd and have the picture taken!

We will not be sharing your contact information in any way. I need the information in case the Walk is cancelled due to weather or will be held inside. Thanks!
